MESSAGE FROM CHAIRMAN'S DESK

Prof. Dr. Suresh Nagpal
Chairman,
Krupanidhi Group of Institution

Greetings from Krupanidhi Group of Institutions!

Our vision is to be a leading global institute for learning, innovation, research, and discourse. We envision entrepreneurship as the central stratagem to best serve the nation in general and the world at large.

In keeping with this vision, since its inception in 1985, KGI has distinguished itself by its outstanding Academic Programms, support for Entrepreneurs, and Research across various domains. Our 75,000+ Alumni are making KGI proud with their significant contributions across myriad sectors globally.

Krupanidhi has always been futuristic in its approach to Education. We are the first Institution to introduce International Healthcare Analytics in India. specially designed to combine the best of healthcare and data analytics to match the current need in the market.

With widespread open access to information, the youth of today are more curious and resolute than ever before. Understanding the need to refine the traditional curriculum with integration of research and innovation, KGI drives its research initiatives under Krupanidhi-Research Incubation Center which helps keep the vigor of education alive amongst its students. The real goal of KGI does not solely rest upon producing Industry- Ready, Competent job seekers but also providing environment that flourishes adroit entrepreneurs who become capable job givers of the future. Our mentors at Krupanidhi Center for Entrepreneurship provide impeccable guidance to mold the students' ideas of businesses into a start-up of their own.

While all of our faculty members are exceptional scholars in their own disciplines, they are also inspiring teachers, impactful consultants, award-winning case writers, and renowned corporate and policy advisers. They understand KGI's core vision of empowering future generation and hence, they practice the unique art of teaching with a Student-Centric and Transformational Methodology.

Reflecting on these strengths, KGI was ranked the 7th Best B-School in South India by Times of India and was also featured as one of the Great Indian Institutes of 2018 by the Forbes Magazine. We were also conferred with the Platinum Category award by AICTE for four years in a row.

So, dear students, I want to assure you that should you choose to come to KGI, you will be learning from the leaders in the field of education. Let us work together in making KGI a World-Class Institution.

Wishing you all the best at all times to come.

KRUPANIDHI

Research Incubation Center (K-RIC)

Krupanidhi-Research Incubation Center (K-RIC) was launched with the prime motive of building a robust research culture at Krupanidhi by inspiring and igniting young minds towards research, regardless of their discipline.

The B-school curriculum is integrated with research, wherein every student is initiated into the world of exploration. They learn how to build and work on a hypothesis which ultimately culminates into a research paper that is published in International Journals with Scopus level index at the least.

INNOVATION

KRUPANIDHI CENTER FOR ENTREPRENEURSHIP

“Launch your dream Startup company at KGI”

Krupanidhi Centre for Entrepreneurship has been established in collaboration with The Bengaluru Angels with the aim of producing independent entrepreneurs who will be the veritable game changers of tomorrow. The Center, headed by Mr. Nirmal K Bhardwaj, works towards nurturing the entrepreneurial talents with profound guidance and mentorship towards modeling of the novel, creative ideas of the students into start-ups of their own. The students undergo myriad of training sessions that help stir up and strengthen their creative-entrepreneurial capabilities which help refine the idea over time, thereby, filling life into the venture. The students are mentored not just into shaping their business plan but guidance is also provided on

matters related to finances. KCE works alongside the students to help them prepare compelling pitches whilst connecting them with different investors such that they are able to seal great deals.

KCE also has come up with some initiatives to take that extra mile in ensuring student success like the foundation course in entrepreneurship, presentations by startups and monthly webinars for experience and knowledge sharing by successful entrepreneurs.

Krupanidhi Center for Entrepreneurship ensures that we support students and their start-ups in ways that make them capable of scaling –up such that they achieve wide-spread success in the future.

KRUPANIDHI CENTER OF EXCELLENCE

Krupanidhi Group of Institution has collaborated with IBM Career Education Program to establish an online platform that offers more than 100 courses on specializations like Artificial Intelligence, Data Science, and Machine Learning, Cloud Computing, Data Analytics, Cyber Security, Internet of Things and so on. The major highlights of the collaboration are:

STUDY & CULTURAL TOUR TO SINGAPORE

On 25 November 2019, the MBA batch of 2019-21, accompanied by the Dean Dr. Sarita Iyer and Senior Professor Dr. Thomason Rajan headed to Singapore to learn about their best practices in the arena of business and examine some of the cultural differences between India and Singapore and its effects on buyer behavior.

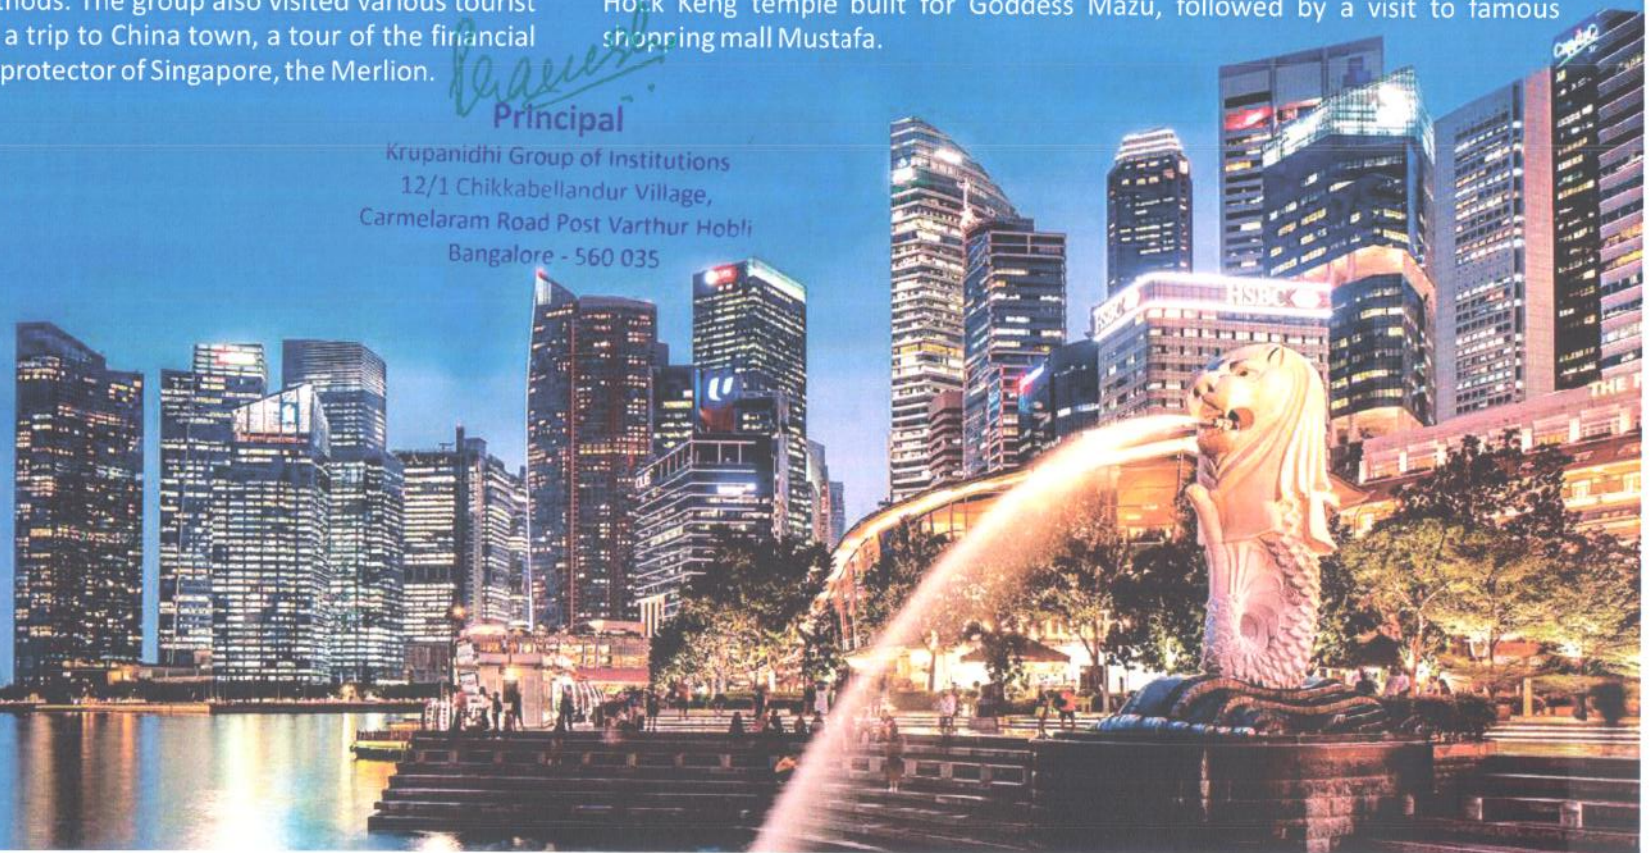

After landing at Changi Airport on the first day, the group visited the office of Urban Redevelopment Authority (URA) of Singapore, to learn how they have enhanced and rebuilt the city's infrastructure and how Singaporeans pride themselves in their innovative methods. The group also visited various tourist spots in Singapore which included a trip to China town, a tour of the financial district and to the famous symbolic protector of Singapore, the Merlion.

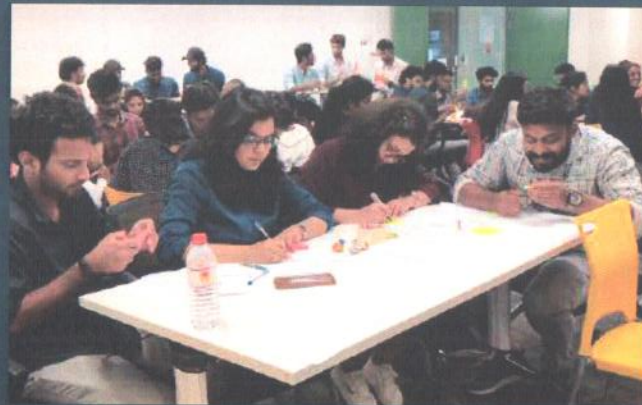

On the second day, the group visited the Monetary Authority of Singapore, where they learned about the financial success story and the rise of the financial structure in Singapore. This was followed by a visit to the National University of Singapore Museum where contemporary art works of eclectic artists were displayed. The students also completed a course in Design Thinking and learnt about the uses of innovation and creativity in every aspect of business.

On the third and fourth day, the group explored other fun things the city has to offer with a trip to the world famous Universal Studios as well as a visit Thian Hock Keng temple built for Goddess Mazu, followed by a visit to famous shopping mall Mustafa.

ABOUT ELEMENT 7

All work and no play makes Jack a dull boy, and we vouch for it. With accolades for achievements in the academic front, Krupanidhi Group of Institutions has always played an exemplary role in the cultural development of its students. The college represents a wide range of extracurricular activities, from the traditional to experimental ones. It enables students to achieve their full potential by organizing cultural events time and often.

Over the last three decades, we have been hosts of several national and international level events that has seen turn up of students from all corners of India.

Element 7 is an annual 2 days of National Level cultural extravaganza Organised by Krupanidhi Group of Institutions. Every year hundreds of students from different colleges participate in the various competitions organised within the two days while thousands turn up to witness the magnificence of the Live concert and the DJ night which are the highlights of the fest. Throughout the two-day extravaganza, the atmosphere was intense yet frolic, leaving the crowd wanting for more...
