“A seminar on - Lean Principles in Organizations”

Event held on:

📅 Date: 18.12.2023

🕒 Time: 12:00 p.m.

📍 Venue: Palladium,

The Krupanidhi College of Management organized a session on “Lean Principles in Organizations” for the 2nd year students of Logistics and Supply Chain specialization and Finance as well other students of MBA, MCA on 18th December 2023 at at Palladium to delved into the application of Lean Principles in the realm of Production and Operations Management (POM).

The session commenced with a warm welcome by Dr Anita Mathew, Dean, Krupanidhi College of Management, who addressed the gathering and introduced the guest to the students. She also spoke about the topic of the session and its importance for MBA & MCA students.

Dr Adity Bhushan, Lead: Service Delivery and Performance, Unilever is a successful leader with immense experience in the industry. She has worked within Global World Class Organisations such as SAP, Biocon and currently is a part of Unilever.

Dr. Adity started by the basics of Production and Operations Management (POM). POM is about making things happen efficiently, ensuring that resources are used wisely to achieve organizational goals. The lecturer painted a vivid picture of how smoothly running operations contribute to an organization's growth, productivity, and building a strong brand. The focus then shifted to Production and Operations Management (POM), making decisions on how resources are used to produce goods and services.

7 Lean Development Principles

- Eliminate waste.
- Build quality in.
- Create knowledge.
- Defer commitment.
- Deliver fast.
- Respect people.
- Optimize the whole.

REPORT ON MATHEMATICS WEEK EVENTS

Date:	14-12-2023
Time:	1.15 pm to 3:30 pm
Venue:	Sparta
Topic:	Essentials of Mathematics in AI, Data Science and Machine Learning

Krupanidhi College of Management, Department of MBA, conducted various mathematical games for the students on 14th December 2023 for MBA students. The event started at 1.15 pm and was lead under the guidance of the Dean, Dr. Anita Mathew. The First year MBA students hosted the event. The event began with welcome address.

By celebrating this National Mathematics Day, the students got to know about the contribution of Srinivasa Ramanujan in Mathematics. Also, the interest of the students in mathematics increased and students understood the importance of mathematics in their daily life. Thus, the purpose of celebrating National Mathematics Day was achieved.

December 22 was designated as, National Mathematics Day“ by government of India in 2012. This day is celebrated every year to mark the birth anniversary of legendary Indian mathematician, Srinivasa Ramanujan. The celebrations aim at spreading awareness about the importance of mathematics and the contributions made by Srinivasa Ramanujan, in the field of mathematics. All over India this day was celebrated by taking various activities like Poster Presentation, Workshops, Mathematics quiz etc. Department of Mathematics in collaboration with IQAC, KCM, organized various mathematical games for the students.

The program was presided over by the dean, Dr. Anita Mathew. The event was inaugurated by laying a wreath on the photo of Srinivasa Ramanujan. In her presidential address, Dr. Anita Mathew appreciated all the students and wished them a happy National Mathematics Day. She also hoped that all the students would take in-depth knowledge of mathematics and make every effort to get their name in the merit list of the university.

The introductory speech of the program was delivered by the organizing committee student member Mr. Denis, I year MBA. In his introductory speech, Ms. Denis explained the purpose of the program and outline of the program. After that the students Ms. Kirti Latha, Ms.

Event held on:

📅 Date: 22.08.2024

🕒 Time: 12:30 p.m.

📍 Venue: seminar Hall,

Krupanidhi College of Management organized the LMS Linways training for the faculties of all the colleges of Krupanidhi on 22nd August 2024, 10:30 am onwards.

The session was attended by four faculties of Physiotherapy along with Principal of Krupanidhi College of Physiotherapy. The resource person Mr. Francis from Linways started the session after a warm welcome by Dr. Badrunnisa, he explained the admin functions of the software which included the privilege setting, creating faculty and student logins, timetable updation and editing, exams planning and assignment evaluation and many other such features of the portal. He also explained the various features accessible to only the Principals and HODs in the ERP login page and how the head of the departments can easily check the various reports and keep a check on the departmental activities.

Points Discussed:

1. How to create co-admins and assign specific tasks
2. How to create or add new courses.
3. How to create new subjects
4. How to add new faculty
5. How to create/ promote batches & also create pseudo batches for languages and elective subjects.
6. How to assign roles to faculty, thereby allotting subjects and integrating the same in Linways
7. How to enter student's details and adding new students in the Linways.
8. How to map time tables and how to map with subjects.
9. How to create exam schedules and test schedule and execute the same.
10. How to create evaluation Manuel/sheet and do the evaluation
11. How to revise the time table in Linways.
