## INDUSTRIAL VISIT REPORT

Industry: **BIOZEEN**

Date of Visit: **02.02.2021**

Time: **9:30 AM – 12:30 PM**

The Industrial Visit, which is one of the compulsory prerequisite programs for the Master of Business Management, was attended by a total of 47/per batch (Two batches) students. They were accompanied by two faculties from the Department of Management Dr. Selvakumar, Ms. Nivedita Jha was the faculty-in-charge of the visit. The list of students and faculty involved in the industrial visit program is as follows.

**Faculties accompanied:** Dr. Pravesh Shoti & Ms.Ramalakshimi

### **Address by the Training In-charge:**

**Dr. Nellaiah** Head of R& D department at BioZEEN was the person to give a brief overview about the company profile, he addressed the students at the conference hall. In his introductory session which lasted for more than 30 min, he mentioned that Baby Joseph was the founder of the company and he also stated that the main motto is “we are into business of saving life”. The following are the consolidated description of the introductory session:

- BioZEEN was started as Bangalore biotech lab in 2005.
- The initial focus was on supplying instruments like fermenters and bioreactors to the pharma and other biotech companies throughout the world.
- They supply fermenters into vaccine manufacturing units like serum institute of India, Dr. Reddy’s lab and Cadila, Ahmadabad.
- In their newly established R&D unit they work on Microbial fermentation, downstream process and cell culture.
- They also provide training programs to students and employees of famous companies like Biocon.

**Discussion Session:**

The students as well as the faculties actively took part in the discussion with the respective resource person after the session. They raised queries about the sustainability of manufacturing units with respect to fermenters, about the R&D works that are going on in the lab and about the trainings that they are providing.

**Scope of Biozeen:**

Student can enroll for the training programs that are conducted by Biozeen and can understand the industrial aspects which will be an advantage when there is academia to industrial transition.

**Conclusion:**

The industrial visit was concluded at 11.45 am to 12.30 pm & 2.45 pm to 3.30 pm with lot of information's gained for both students as well as for the faculties.
